#StepToFusion

# Sun Dome and Robot Dog comes to Gainsborough for the first time

## Free family friendly community event

STEP's fusion energy outreach team are ready to inspire the entire family with the 360-degree immersive classroom experience (the Sun Dome) and our friendly robot dog at this free event.

Join us to learn about STEP, the UK's prototype fusion energy plant set to be built at West Burton. Explore our site vision, future plans for the local area and meet the STEP team.

Free to attend and no need to sign up. Just drop in.

Tuesday 23 July, 3.00-7.00pm

Sun dome & robot dog

Live short presentations at 4pm and repeated at 6pm

Light refreshments

Trinity Arts Centre, Trinity Street, Gainsborough, DN21 2AL

To find out more about this event please sign up here [step.ukaea.uk/sign-up](https://step.ukaea.uk/sign-up) or if you'd like to join our contact list please let us know at [communications@step.ukaea.uk](mailto:communications@step.ukaea.uk)

*Please note that media will be invited and there will be a photographer and videographer filming at this event. If you do not wish to be in our photos, please make this known to the photographer or a member of the working team.*
