

Stow Parish Council Addendum to Data Protection Policy Volunteers

- Information about volunteers will be kept in line with the above Policy. However, though generally this information will be kept by the Stow Parish Clerk, in particular circumstances it may be kept by the co-ordinators of a specific project (eg Stow Volunteer Group 2020 in relation to coronavirus). All information should be password protected and should only be kept for as long as needed. The same applies to information regarding those receiving a service.
- Volunteers must observe confidentiality regarding any service user's information.

Addendum to Data Protection Policy drafted 29.4.2020
